

TOP 5 REASONS TO ATTEND SYNERGY 2017

1. Discover the Latest Innovations in Retail Software

Learn how Mi9 Retail is addressing the key needs and strategies of today's retailers. Aimed at unifying operations and creating seamless consumer experiences, we will discuss solutions for omni-channel optimization, customer engagement, retail analytics and more.

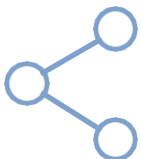

2. Grow your ROI

Enhance your knowledge of Mi9 Retail solutions to get the most out of your software investment. Take back important lessons and strategies to share with your teammates, or better yet, invite them to attend the conference with you.

3. Learn from our Experts

Collaborate with the Mi9 Retail team of experts during interactive presentations and product demonstrations. Get informed about the roadmap for your Mi9 Retail solutions and learn about the product features and technologies that will help you take your business to the next level.

4. Network with Industry Professionals

Meet new friends and build your professional network of industry peers. Share your experiences, refine your strategies, and learn new tips to improve your retail business.

5. Present your Case Study

Apply to present your case study at Synergy 2017 and if accepted, we'll give you the stage and the spotlight so you can share your success with your peers. We'll also waive your registration fee so you can attend for free.
